Discussion with City Assessor Regarding Board of Review

City Assessor Mike Schachterle gave an informational overview of the assessing process and distributed materials that were pertinent to Long Lake. Council posed various questions to the Assessor and Mr. Schachterle gave responses. A discussion focus was the upcoming Board of Estimate and Review meeting on April 21, 2009 and the appropriate scope of issues or questions, process, and roles of the City Council at this meeting.

Discuss Preliminary Long Lake Fire Relief Association Pension Projection Report

Administrator Post advised that Abdo Eick Meyer (AEM) had completed preparation of a draft Pension Projection Report and they would be presenting it to the Fire Chief, the Relief Association Treasurer, and the City Administrator Wednesday morning. The plan would then be to present the report in draft form to the Relief Association Board and the Long Lake City Council at later dates before final acceptance of the Pension Projection Report by the Long Lake City Council. The accepted report would then be discussed at a May Fire Advisory Board meeting.

ADJOURN

Hearing no objection, Mayor Gilbert adjourned the work session meeting by general consent at 6:33 pm.

Respectfully submitted,

Terrance Post
